

How do Stage 1, Stage 2 and Stage 3 of the curriculum development process connect to daily classroom instruction? How do instructors take program learning goals and key performance assessments and use them to develop learning plans and episodes? As instructors unpack the lesson Can-Do Statements by outlining vocabulary and language chunks for each lesson Can-Do Statement with a corresponding check for learning, they complete the bridge from curriculum to learning plan.

LANGUAGE: **Korean**

GRADES: **6-12**

PERFORMANCE TARGET: **Novice Mid/Novice High**

Unit Theme: **Personal Identity**

Students will work with the theme of *identity*. They will work with appropriate texts that portray young teenagers who take on responsibilities while learning life lessons and/or with biographical texts about heroes or important people both at home and within Korean culture. Students will explore who they are, where they live, their nationalities, and their heritages. Students will also be able to introduce themselves by giving biographical details and will be able to talk about their interests and activities before discussing the people, places, and things that really matter to them. They will comment on the actions, personalities, and characters of fictional and historical figures. They will work together to tell the story of a modern-day hero from a community or region where Korean is spoken. They will take part in a field trip to meet individuals involved in the local community and identify how various individuals are working to create a better community.
